**American Supply was founded in 1984, specifically for the purpose of distributing gaskets and industrial fasteners to the pulp and paper industry. The industrial age in the South was driven by the pulp and paper industry for almost fifty years. As the business environment changed, so did the products and services we provided, as well as the industries or customers we serve.**

**Today, we are a leading manufacturer and distributor for many different product lines.**

**We have specifically targeted the industrial construction company as well as the industrial fabrication company who provides construction and fabrication services across a wide range of industries, not just the pulp and paper industry.**

**We have a very knowledgeable team of employees who are motivated to provide excellent service in a timely manner.**

**PURPOSE AND SCOPE  
OF AMERICAN LEGION BASEBALL**

1. To inculcate in youth a better understanding of the American way of life and to promote the principles of 100 percent Americanism.
2. To instill in the nation's youth a sincere desire to develop within themselves a feeling of citizenship, sportsmanship, loyalty and team spirit.
3. To aid in the improvement and development of the physical fitness our country's youth.
4. To build for the nation's future through our youth.

**AMERICAN LEGION BASEBALL  
CODE OF SPORTSMANSHIP**

I will:

Keep the rules

Keep faith with my teammates

Keep my temper

Keep myself fit

Keep a stout heart in defeat

Keep my pride under in victory

Keep a sound soul, a clean mind, and a healthy body

---

American Legion Baseball is a national institution, having thrived through a world war, several national tragedies, and times of great prosperity as well as great despair.

The league still stands behind the traditional values upon which it was founded in 1925. American Legion Baseball has taught hundreds of thousands of young Americans the importance of sportsmanship, good health and active citizenship. The program is also a promoter of equality, making teammates out of young athletes regardless of their income levels or social standings. American Legion Baseball has been, and continues to be, a stepping stone to manhood for millions of young men who have gone on to serve their country or community, raise families or play the sport at the highest level.
