About WLC

We pride ourselves on experience, integrity, and our client first philosophy. Since 1948, WLC Engineering and Surveying has been providing unparalleled customer service for quality driven projects to the public and private sector clients in Wyoming and the Rocky Mountain Region.

We believe in being fair, honest, and ethical. A key component of our integrity is listening to your needs and providing high-quality, technical work for projects that last.

Naturally, this cultivates positive relationships with our clients, partners, and employees.

We continue to invest in advancing a viable company every day. To create value for our clients and employees, we remain dedicated to maintaining a lasting, healthy company. This is why we can say we are proud to be Wyoming's longest standing engineering and surveying firm.

Wyoming Steel & Recycling Iron & Metals, Inc

3400 W Yellowstone Mills, Wyoming
307) 237-6615

We are a locally owned and operated recycling center that purchases and recycles ferrous and non-ferrous metals, including aluminum cans. We also recycle paper products for your convenience. Please call to inquire about current recycling rates. We are also a new steel distributor working to meet the needs of all customers, from individual walk-ins to large fabrication companies. Salvage materials are available for purchase, as well. Please call to inquire about pricing and availability. We would love to hear from you!

747 East E. St.

Celebrating 100 years of family ownership in 2026, Bison Beverage is Wyoming's premier beverage wholesaler. Led by 4th-generation family owners & siblings Todd Lewis and Brittney Webber, Bison Beverage proudly services more than 75% of Wyoming's population across 18 beautiful counties.

SUNDAHL, POWERS
KAPP & MARTIN, LLC

Sundahl, Powers, Kapp & Martin, LLC

From its offices in Cheyenne, Wyoming, Sundahl, Powers, Kapp & Martin, LLC, has provided first-rate legal services to individuals and corporations throughout the state of Wyoming since the 1920s. Today, the attorneys bring to the table more than one hundred fifty years of collective experience.

The firm specializes in civil defense litigation. The attorneys at SPKM have developed expertise in a wide variety of areas, including personal injury, tort liability, professional malpractice, insurance defense, railroads and employment. SPKM also frequently represents both plaintiffs and defendants in construction litigation. The firm has an active administrative law practice, which includes representation of clients before the governmental boards, agencies and bodies.

**PURPOSE AND SCOPE
OF AMERICAN LEGION BASEBALL**

1. To inculcate in youth a better understanding of the American way of life and to promote the principles of 100 percent Americanism.
2. To instill in the nation's youth a sincere desire to develop within themselves a feeling of citizenship, sportsmanship, loyalty and team spirit.
3. To aid in the improvement and development of the physical fitness our country's youth.
4. To build for the nation's future through our youth.

**AMERICAN LEGION BASEBALL
CODE OF SPORTSMANSHIP**

I will:

Keep the rules

Keep faith with my teammates

Keep my temper

Keep myself fit

Keep a stout heart in defeat

Keep my pride under in victory

Keep a sound soul, a clean mind, and a healthy body

American Legion Baseball is a national institution, having thrived through a world war, several national tragedies, and times of great prosperity as well as great despair.

The league still stands behind the traditional values upon which it was founded in 1925. American Legion Baseball has taught hundreds of thousands of young Americans the importance of sportsmanship, good health and active citizenship. The program is also a promoter of equality, making teammates out of young athletes regardless of their income levels or social standings. American Legion Baseball has been, and continues to be, a stepping stone to manhood for millions of young men who have gone on to serve their country or community, raise families or play the sport at the highest level.
